Areas of Expertise

Enterprise Setup Design Implementation Management

Microsoft

- Enterprise Desktops and Servers
- Active Directory
- Networking/DNS
- Group Policy
- DHCP
- System Administration

- Remote Desktop Services
- Virtualization (Hyper-V)
- Exchange Server
- Internet Information Services (IIS)
- Distributed File System (DFS)

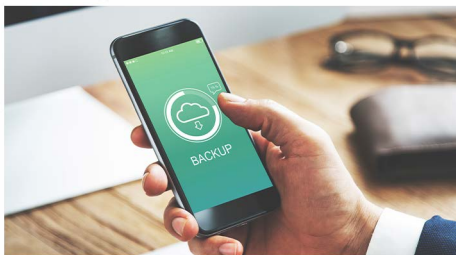

Office 365

- Office 365 Setup, Migration, and Hybrid Solutions
- Azure AD
- Email Setup and Management
- Single Sign On (SSO)
- Office 365 Email

- SharePoint
- Intune
- Data Governance
- Mobile Device Management (MDM) and Intune

Backup and Disaster Recovery

- Disaster Recovery as a Service (DraaS)
- Disaster Recovery Design and Planning
- Backup-as-a-Service (BaaS)

Cloud Services & Hosting

- Infrastructure-as-a-Service (IaaS)
- Virtual Servers and Desktops

Benefits of IaaS

By utilizing a cloud-based infrastructure, the right IT partner will enable businesses to operate without the headaches associated with on-premise servers and other related on-premise hardware while maintaining, and often increasing, productivity. Also, Infrastructure-as-a-service (IaaS) provides cost efficiency by eliminating the need for large capital purchases and avoids technology obsolescence.

Benefits of VDI (Virtual Desktops)

Virtual Desktop is a cloud-hosted Windows desktop that is hosted, operated and managed by Infinite Cloud Systems.

One of the top advantages to Infinite Cloud Systems Virtual Desktop is the resiliency it provides. Virtual Desktop enables you to work from anywhere on any device 24x7x365 while accessing your mission-critical applications and data.

Benefits of Virtual Desktops

END USER PRODUCTIVITY

- Access from anywhere
- Eliminate workstation issues
- Bring-your-own-computer
- Fast and familiar Windows interface
- Works with Microsoft 365 & business apps
- Onboard and offboard users with ease
- Video conferencing ready

SECURITY & SUPPORT

- Round-the-clock IT admin support
- Highly secure and reliable
- Fully managed, monitored, and backed-up
- Always up to date desktops
- Reduce help desk issues

SCALABLE & FLEXIBLE

- Access from anywhere
- Eliminate workstation issues
- Bring-your-own-computer
